## THE COUNTY VOTE.

Supervisors Meet and Canvas Vote Cast at Primaries.

Contrary to reports there were no irregularities in certain outlying precincts, and the Board of Supervisors experienced no trouble in counting the votes cast in this county at the primary elections last week. As will be seen by the official count which follows, several of the contestants for political honor on neck and neck, but when all the precincts were heard from it was found that every candidate whose name will appear on the official ballot next December, is entitled to be there by a safe majority of votes cast at the recent primaries.

The close ones on the Democratic side of the house, were Dr. A. A. Doherty and T. P. Thompson for assessor, Frank Fitch and Jack Straith for surveyor, and Richard Farrell and G. H. Madden for school superintendent. The official count gives Thompson a majority of 14, Fitch has 11 to the good, and Madden is in the clear with twenty-seven votes.

MR. ASHURST THANKS HIS FRIENDS.

It is impossible at this time for me to reply to the numerous letters and telegrams of congratulation that I am receiving over my nomination as one of the Democratic candidates for United States Senator, but a reply will be sent to each as soon as possible. In the meantime, permit me, through the columns of THE BORDER VIDETTE to convey my expressions of gratitude to all.

I am impressed with the futility and inadequacy of words in attempting to convey to my friends throughout all portions of Arizona my thanks for their splendid loyalty and beautiful fidelity to me. I do not know of an instance in American politics where friends and supporters have been more loyal and true than mine have been, and I particularly desire to thank the thousands of noble women of this territory whose valuable work greatly assisted in bringing success to my candidacy.

The people of this Territory are terribly in earnest. They are going to drive "big business" out of politics, and they demand that politics shall be run by the people. That the progressive Democracy of Arizona will achieve a great victory at the polls on December 12, there is not the slightest doubt.

HENRY F. ASHURST.
